Part-Time Position

## Being Part of UCC Students' Union

UCC Students' Union is run by an executive, which reports to Student Council. This March, 5 full-time officers and 7 part-time officers will be elected to the Students' Union Executive.

The full-time officers will take a year out of their studies, or will work for a year if they're in final year. Part-time officers will carry out their positions while completing their studies.

All officers work for the benefit of all UCC students through their positions. They sit on committees in the University, organise events & campaigns and work on various projects.

## Core Responsibilities

As the Gryffindor of UCC the CoMH demands it's rep to be what the movie "Men in Black" would refer to as "the best of the best of the best". Leading academic reps from different backgrounds who's classes encounter very different problems is akin to Katniss Everdeen leading the districts to victory over the Capitol.

You will also be tasked with the responsibility of representing over 4000 students while sitting on various committees involving both staff and other students. This calls for a levelheaded character, confident in their ability to speak in front of others and inspire their listeners as Colin Firth did in "The Kings Speech".

## Other Responsibilities

While this may seem daunting, it might be comforting, if not surprising to know that a formidable movie knowledge is not required.

The role is as useful as you make it! The more time and effort you put in the more that gets done. A great part of the role is proactively looking for things which need improvement and figuring out how best to get this done. For research purposes see "Room to Improve".
